Patient name: .....
NHS no: .....
Hospital no: ..... Please affix patient ID label within this box .....
DOB: .....

Statement of Patient:

I withhold my consent to the blood related options indicated in relation to all operations, investigations or treatment that I may undergo during this episode of hospital care, until I withdraw my refusal either verbally to a healthcare professional or in writing. The implications of this have been explained to me and I understand them.

I confirm that I have been informed about the availability and effectiveness of alternatives to blood/blood product transfusion and blood conservation methods applicable to my proposed operation or treatment. I understand the information that I have been given. I also confirm that I have been informed about the relevant risks and benefits of transfusions of blood or blood products.

My refusal of blood and any blood components stated above will remain in force even if I become unconscious and/or affected by medication, or any condition rendering me incapable of expressing my wishes and consent to treatment options.

I intend to refuse blood and blood components stated above even if they are considered necessary to save my life. I fully understand the implications of my position regarding blood/blood product transfusion and am exercising my own choice, free from external influence.

I accordingly absolve the surgeon, the hospital and every member of the medical staff concerned from all responsibility, and from any liability to me, or to my estate, or to my dependents, for any damage or injury which may be caused to me, or to my estate or to my dependents, in any way arising out of or connected with this my refusal to consent to any such blood transfusion
